The Successful Awardee will only be paid for goods delivered and accepted, or services performed in accordance with the manner of performance set forth in the contract less any damages to the County caused by such default.

This contract may be canceled at the end of the then current fiscal period for non-appropriation of funds by the King County Council. SECTION 5 - TECHNICAL SPECIFICATIONS

5-1 GENERAL

The purpose of this ITB is to establish a list of available dump trucks and trailers with applicable rental rates, which may be rented on and as needed basis, by authorized King County personnel, during the period January 1, 2006 through December 31, 2006. The initial award of contracts will be for potential rentals in 2006. King County shall not be restricted or bound to the equipment contained within this ITB, nor shall the County be obligated or guarantees any equipment contained on the equipment list herein will be rented.

5-2 RENTAL TERMS

Each item in this section describes a requirement or condition, which shall be satisfied. Failure to provide the requested information or to comply affirmatively with any of the requirements and or conditions may result in disqualification of the offeror or cancellation of the contract.

- A. All rental rates offered **shall remain firm** through December 31, 2006. The County will award rental contracts as needed during 2006 to the most responsive offerors whose equipment is available when needed, meets the requirements of the County, and offers the lowest rental rates. The cost of moving equipment to and from the job site will be considered in making awards.
- B. Overtime/holiday rates will be paid for the equipment operator only, for rentals "with operator". Overtime rates will be paid for all operator hours in excess of forty (40) hours per week. Holiday rates will be paid only for those holidays observed by King County. In no instance shall overtime or holiday rate charged by the vendor exceed 1.5 times the hourly wage rate of the equipment operator. Bidders renting equipment "with operator" shall in the "OT/HOUR" column on the rate sheets enter the overtime/holiday per hour rate to be charged.

2005 King County holidays observed: New Years Day, M.L. King Day, President's Day, Memorial Day, Independence Day, Labor Day, Veteran's Day, Thanksgiving Day and the day after, Christmas Day.
- C. All equipment shall be in **first-class** operating condition and shall be maintained in that condition by the vendor during the rental period. Any lost time due to malfunction will not be paid for.
- D. Failure to show when and where directed may result in removal from the eligibility list. Such action shall be taken at the sole option of King County and shall be final.
- E. Vendors arriving at a job site with inappropriate equipment or equipment in disrepair will be rejected.
- F. It shall be the responsibility of all vendors awarded contracts pursuant to this ITB, to comply with all federal and state laws that may be applicable including, without limitation, Chapter 81.80 RCW, and Omnibus Transportation Testing Act of 1991.
- G. All bare rentals, including long-term rentals, shall be fully maintained by the vendor, including lubrication and all repairs. King County, at its discretion, may make minor repairs to rented equipment to keep units in service so as not to delay a job.
- H. All equipment rented "**with operator**" shall be fully maintained, including fuel, lubrication and all repairs.
- I. All equipment rented "**without operator**" shall include exterior washing (if required). Fuel consumed by the rented equipment during operation on a County job, shall be paid for by King County.

- J. For rentals "with operator", the following shall apply:
- one day = 8 work hours
 - one week = 40 work hours
 - one month = 176 work hours

Insurance shall remain in effect for the entire duration of the awarded contract. The standard Accord Insurance Certificate with endorsements is acceptable. **No contract requiring insurance will be issued without the proper proof thereof and on file with King County Procurement and Contracts Services Division.**

INVITATION TO BID 12984-AAB
KING COUNTY CONTRACTING OPPORTUNITIES PROGRAM
FOR GOODS AND SERVICES CONTRACTS

The King County Contracting Opportunities Program is a public contracting assistance program that is being implemented on a one-year pilot basis. The purpose of the Program is to maximize the participation of Small Economically Disadvantaged Businesses through the use of a five percent (5%) incentive factor in the award of King County contracts for the purchase of goods and services.

A "Small Economically Disadvantaged Business" (SEDB) means that a business and the person or persons who own and control it are in a financial condition which puts the business at a substantial disadvantage in attempting to compete for public contracts. The relevant financial condition for eligibility under the Program is based on a dollar ceiling for standard business classifications that is set at fifty percent (50%) of the Federal Small Business Administration (SBA) and Owners' Personal Net Worth less than \$750K dollars.

A "Certified Firm" means a business that has applied for participation in King County's Contracting Opportunities Program, and has been certified as an SEDB by the King County Business Development and Contract Compliance (BDCC) office. Information about becoming a Certified Firm, as well as a list of Certified Firms, may be obtained by contacting the BDCC office at (206) 205-0700.

Application of the 5% Incentive Factor and Contract Award:

1. This contract will be awarded to the lowest responsive, responsible offeror; provided, however, that if the bid price of a responsive, responsible SEDB is within five percent (5%) of the bid price of the lowest responsive, responsible offeror, and that offeror is not a SEDB, then the contract shall be awarded to the low SEDB offeror.
2. All certified SEDB offerors must complete the information in the section for Offeror Identification as described in the front page of this Invitation To Bid and the certification information below.
3. (___) Check if firm submitting Bid is a Small Economically Disadvantaged Business Enterprise certified by King County that will perform the entire contract unassisted.
